

Fonterra Brands (Tip Top) Ltd
PO Box 722 Shortland Street 1140
113 Carbine Road Mt Wellington
Auckland 1060 New Zealand

To whom it may Concern
July 2, 2013

Industrial Refrigeration Ltd has enjoyed a long standing working relationship with Fonterra Brands Tip Top, (formerly Tip Top Ice Cream Company Ltd) for over 30 years.

I have known Gary for the duration of this period .He has provided a reliable, professional service covering all aspects of pipe installation through to general fabrication work.

IRL is very well experienced in the welding of refrigeration pipe work and pressure systems and offers a complete design and build package. They are well set up with a local workshop and crew of proficient welders capable of handling any welding work.

I have no hesitation in recommending IRL as a first rate service provider in the field of welding and general fabrication works.

For further information contact the writer.
