TO WHOM IT MAY CONCERN

We are pleased to use IRL as one of our leading pipework subcontractors. Gary and his boys have delivered many quality installations on time for our various projects. Some of the major projects completed by them in the last five years have been Q Theatre, Lynmall Cooling Towers, Whenuapai Airbase new workshops, Air New Zealand Flight Simulator Building, Summerset Village etc. The works included chilled and hot water services, compressed air, nitrogen, vacuum and breathable air services.
